#### Call to Order

Vice Chairman Bridges called the meeting to order and asked members to keep Mr. Richardson and his mother in your prayers.

#### **Loan Presentation**

Mark Warren greeted members and explained he had come out of retirement to work with the COG on some projects and also oversees the loan program. He gave a brief overview of the loan programs available at the COG. Mark stated he had two microloans to be presented tonight and hoped to have several RLF loans coming soon.

During the loan review process he explained it is a detailed time consuming process to assist the applicants. Lots of analysis is completed on each, turn down letter received from bank, credit reports are checked, etc. But members were reminded the COG is a 'lender of last resort'. Both of the loans being reviewed tonight have been reviewed and recommended for approval by the Loan Review Committee.

Summary of first loan – Cutting Edge Lawn Care. Owners Chris and Amanda Pegram are requesting \$10,000 from the microloan fund to be used to purchase:

- PTO Spreader
- Core Plugger
- Bed Shaper
- Cultivator
- Dump Trailer

They have been in business for 9 years and currently have a 3 year lawn maintenance contract with Warren County School System. They provide lawn maintenance, seeding, fertilizing, aerating, landscape design, mulch, etc., to customers of Lake Gaston and surrounding counties.

Loan Review Committee recommended approval of \$10,000 with a term of 36 months at 3.96% interest rate. Also have attorney prepare a UCC on all new equipment and current equipment and a personal guarantee will be presented by both owners.

Members asked if there were any EDA requirements on the microloan funds and were informed there were no requirements and the COG has approximately \$68,000 in this fund to loan currently.

## Cutting Edge Lawn Care Motion # 1

Motion was made by Danny Wright to accept the recommendation as presented and approve with the attorney's final review. Zelodis Jay seconded the motion and it carried unanimously.

Summary of second loan - Crocker's Hauling, Inc.

Michael Crocker is a dump truck driver with Bonavita Excavating who requests funds to start up his own start-up business. He has requested \$25,000 to purchase a dump truck and pay for associated start-up costs for haling permits/taxes, etc. Mr. Crocker is an experienced driver and a diesel mechanic with over 8 years experience and fixed assets in mechanic tools. He has an excellent credit score of 754 and collateral sufficient for the loan. Banks are not loaning for many start-up businesses so he turned to the COG.

Diane did disclose that the Mr. Crocker is the nephew of a COG staff member.

The Loan Review Committee recommends approval of a loan in the amount of \$25,000 for 60 months at 3.96%. They also recommended the applicant present the COG attorney a purchase inspection of truck, clean truck title, proof of insurance and a UCC on all mechanic tools.

#### Crocker's Hauling Motion # 2

Motion was made by Zelodis Jay to approve the recommendation to hold the assessment rate at 59 cents per capita if State and Federal funding remains the same. Jimmy Clayton seconded the motion. The motion carried unanimously.

#### **Budget Presentation FY 2017/2017**

Diane began with an overview of the draft budget for 2017/2018:

- COLA salary increase of 2% for all staff members and a 1% increase in the 401K matching contribution.
- Personnel changes with recommended budget include a new Part Time temporary Transportation Planner
- Fringe Benefits rate recommended is 34.4395% and includes FICA, group insurance, retirement, 401K contributions, unemployment and retiree benefits.
- The Indirect Cost Rate recommended for FY 2017/201 is approximately 41.5939% for Administrative Indirect and 15.4368% for Programmatic Indirect.
- Member dues remained the same at 59 cents per capita for FY 2017/2018. Per capita amounts are calculated based upon Census figures released in March, 2011.

Fund Balance proposed to balance the FY 2017/2018 budget is zero.

Ms. Cox also stated she planned to keep Mark Warren on under contract for special projects and the oan program. She also noted a \$25,000 decrease in insurance cost for staff and retirees. This is due to changing over to the NC State Health Plan. She also noted the recommendation to not continue the contract with William Hoyle's office for financial oversight. She recommended an additional increase for the Finance Manager and believes current finance staff has the ability to perform all duties.

Ms. Cox reviewed program budgets in detail with the Executive Committee and highlighted items in each program. She also answered questions from the Executive Committee. The total proposed budget is \$2,732,376 without the pass-thru funding

#### Budget 17/18 Motion # 3

Motion was made by Zelodis Jay to present to Board for their 30 day review and approval at June meeting. Linda Jordon seconded the motion and the motion carried unanimously.

Members inquired about the current Fund Balance and Diane stated as of the June 30<sup>th</sup> Audit the balance was \$196,314 and it is currently approximately \$288,517 at end of April, 2017.

There being no further business, the meeting adjourned.

Sincerely,

Patricia S. Cox, Executive Director Secretary to the Board of Directors
