Loan Application

Mark Warren advised that the Loan Review Committee (LRC) had met and performed a detailed review of a loan application from Zack Wynne for a start up business – 1792 Beer Company in Roxboro, NC. This business would be located at 106 Main Street and would serve bottled microbrews. This would be a 5-year revolving-loan. Mark reviewed the loan summary and the conditions that had been recommended by the LRC with the Executive Committee. He further explained the recording of Memorandum of Lease that was previously recommended by Attorney Wrenn and including renewal options for the said property. The stock that is being offered as collateral is more than enough to secure the loan and will be assigned to the COG.
